MOVING EDUCATION FORWARD

Dear Friends of Education:

“No other investment yields as great a return as the investment in education. An educated workforce is the foundation of every community and the future of every economy.”

Brad Henry, Former Governor of Oklahoma

The Madison Education Foundation (MEF) is launching our new **‘Partners in Education’** campaign. This campaign is directed towards our Madison families and extended families. With community support and involvement, MEF will be able to continue to provide thousands of dollars for classroom grants that directly impact every student. Please consider joining our effort by becoming a Partner in Education.

The Madison Education Foundation (MEF) is a 100% volunteer non-profit organization dedicated to enhancing the academic and creative lives of students in the Madison School District. MEF awards grants to Pre-K through 12th grade Madison district teachers for initiatives that are aligned with this vision but are above and beyond the school district budget.

MEF has awarded over 400 grants totaling more than \$1.5 million since it was established in 2003. Here are some examples of how your donation dollars directly impact our students.

- \$50 provides students with a STEM kit
- \$250 provides a student with a Google Expeditions.
- \$3,500 provides the Junior School with new cameras for photography/yearbook classes
- \$4,000 provides new generation microscopes to the entire Junior School, facilitating cross classroom collaborations.
- \$15,000 (or just \$20 per student) furnishes the High School with the Makerspace resources required to turn it into a cutting edge STEM facility.

Attached is the Partnership Form which can be completed and mailed or completed online at mefnj.org under Sponsorships (Family). Choose the level that works best for you, extend the invitation to your family to join our grandparents circle and enjoy the benefits of becoming an MEF partner.

Sincerely,

Diane Ryan, MEF Co-President

Colleen Taddeo, MEF Co-President
